VISION

MISSION

BUILDING HAPINESS AND HUMANITY THROUGH STRUCTURAL HUMANITARIAN ACTIVITIES TOGETHER

Dr.
RACHID NAFI
Our Esteemed **Ambassador**

*Embodiment of our Dreams
and Pillar of Progress.*

Ph.D. Holder Philanthropist Professor
Islamic Scholar Public Speaker

Dr. Rachid Nafi is a renowned Islamic scholar celebrated for his dedication to learning, advocacy, and humanitarian efforts. Hailing from Rabat, Morocco, he diligently pursued education under esteemed mentors, culminating in a Doctor of State degree in Sunnah and its sciences. He champions the ethos of balanced Islamic practice.

A dynamic force in relief initiatives, Dr. Nafi actively participates in projects aiding refugees, marginalized, and persecuted communities across the globe. His enlightening lectures and seminars have touched diverse audiences in numerous nations.

Now, he is a resident of the Netherlands, where his life epitomizes an unwavering commitment to both Islamic scholarship and compassionate endeavors. His affiliation with us fills us with pride. He ignites our aspirations, fuels our endeavors, and we anticipate accomplishing significant feats through his inspiration

— Long Live the Legacy of Doctor Rachid Al-Nafi —

Mr.
SOUFIANE KASBAR
Our Honorable **Chairman**

Ph.D. Holder Professor Writer
Poet Philanthropist Columnist

Amdadul Haque Khan, renowned for his roles as a social activist, philanthropist, writer, and poet, emphasizes education through his Ph.D. and professorship. His compassionate initiatives empower self-sufficiency, better water facilities, toilets, mobile healthcare, and more, enhancing communities. As former WWHRF chairman and Human Rights Commission advisor, he sustains impactful contributions through various endeavors and publications.

WHAT WE DO

DISASTER RELIEF AND RECOVERY

-- *Rebuilding Communities From Devastation to Restoration*

Rapidly responding to natural disasters and emergencies, including floods, storms, cyclones, and disease outbreaks like typhoid, dengue, cholera, malaria, etc. Swiftly delivering immediate assistance and support to effected regions, prioritizing their safety and overall well-being.

EMPOWERMENT AND SKILL DEVELOPMENT

-- *From Learning to Earning, Paving Paths to Prosperity*

Conducting workforce development programs for men and women, offering skill-building workshops, and providing entrepreneurship opportunities to uplift individuals and communities, unlocking their potential for sustainable growth

WATER AND HYGIENE

-- *A Drop of Hope: Bringing Clean Water to Every Doorstep*

Establishing infrastructures to increase water accessibility for underprivileged communities, particularly remote regions. Also promoting hygiene practices and conducting sensitization and impactful awareness campaigns for better health outcomes.

HEALTHCARE DEVELOPMENT

-- *Healthcare Without Borders, From Cities to Remote Areas*

Establishing and enhancing hospitals and clinic chains from cities in remote areas to provide paid, discounted, and free medical services, ensuring that quality healthcare extends Beyond the Horizon.

SUPPORTING ETHNIC MINORITIES

-- *Embrace Diversity, Support Unity*

We support diverse ethnic groups, particularly in border areas, facilitating their integration into modern society. We remain deeply committed to addressing the plight of 1 million Rohingya refugees who have endured a bleak existence in Rohingya camps in Bangladesh since 2017.

EDUCATION INITIATIVES

-- *Unlocking Minds, Erase Ignorance*

Building and supporting permanent and temporary schools in rural areas. We also focus on providing educational opportunities to marginalized, ignored and autistic populations. Offering various programs to empower individuals to access education.

MOSQUE AND CULTURAL CENTER

-- *Where Faith Meets Charity, Powered by Community*

Our commitment to mosque development focuses on building sacred spaces that foster unity and serve as centers of peace and other humanitarian, charity, and social activity centers for the community.

ELDERCARE AND ORPHANAGE

-- *Embracing them with the Care They Deserve*

Our orphanage and care center for the elderly provide a nurturing and caring environment for vulnerable children and elderly individuals, ensuring they receive the love, growth, and support they deserve.

DISASTER RELIEF AND RECOVERY

— Rebuilding Communities From Devastation to Restoration —

Floods: Floods are very frequent occurrences in Bangladesh, impacting more than 7 million people annually. In some places, immediate rescue operations, permanent infrastructures, and months-long supports for rehabilitation, as well as the provision of food and medicine, are necessary.

Storm and Cyclone: Bangladesh and its neighboring regions are prone to approximately sixteen cyclones every year, impacting more than 1 million people each year. These disasters cause extensive damage to homes, schools, agricultural lands, and other important structures in rural and coastal areas.

Bangladesh regularly faces recurring cyclones, devastating floods, the Rohingya refugee crisis, and seasonal disease outbreaks, all of which present profound humanitarian and environmental challenges.

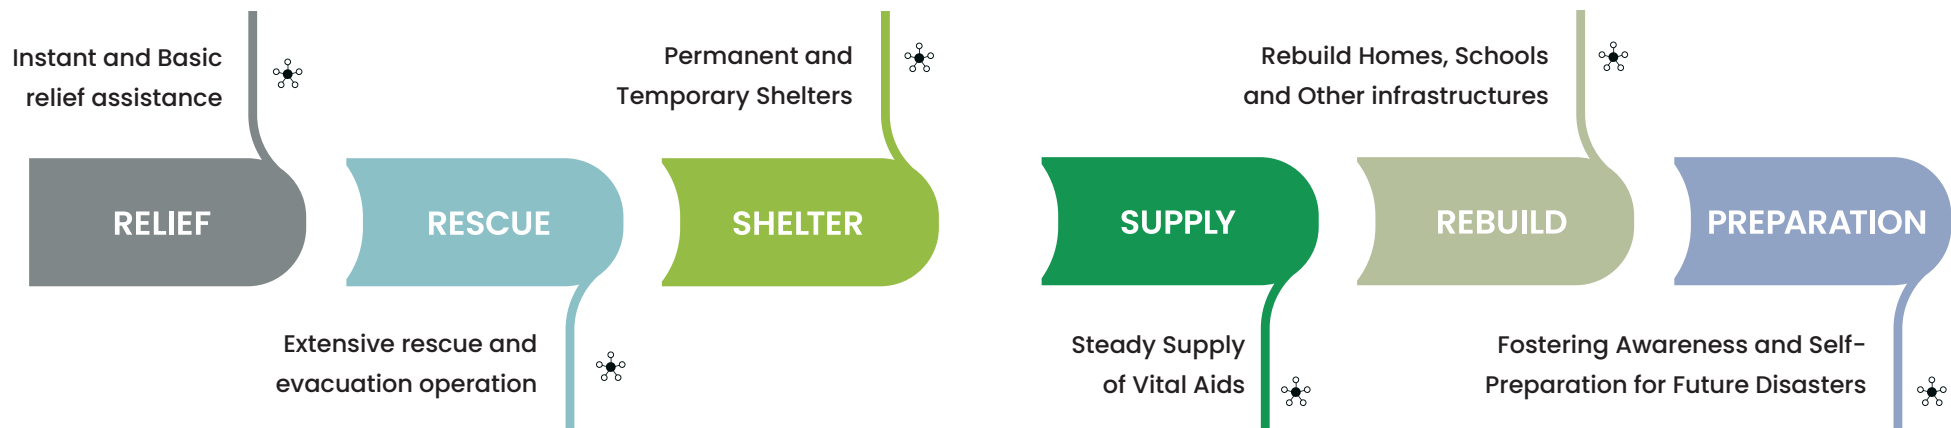

Disease Outbreaks: Bangladesh faces diseases and seasonal outbreaks, leaving people vulnerable due to limited access to clean water and geography. They are frequently exposed to cholera, typhoid, dengue fever, malaria, and other illnesses, causing widespread suffering.

Rohingya Refugees: The Rohingya crisis has led nearly a million people to seek refuge in Bangladesh. Our commitment to their well-being drives us to provide emergency relief, support education, advocate for rights, empower women, and work tirelessly towards lasting solutions.

WHAT WE DO FOR CRISIS AND DISASTERS:

WHEN CRISIS STRIKES, WE STAND STRONG,
NAVIGATE STRATEGICALLY, AND PROTECT VULNERABLE LIVES

WATER AND HYGINE

Access to clean water and maintenance of sanitization and hygiene is a crucial factor for promoting overall public health and for preventing the spread of diseases. Here at Al-Sorour, we deliver these facilities in rural areas, where there is limited access to clean water and promote a healthier and safer lifestyle for all.

WATER WELL

Providing all kinds of water facilities from a small setup like a suction well to heavy water infrastructure.

PUBLIC AWARENESS

Conducting various public awareness campaigns highlighting the impact of clean water and proper sanitization.

FACT — 2 billion people use a drinking water source contaminated with feces.

— More than 1.5 million people die from diarrheal diseases globally. Most of them are children.

TOILET

Providing toilets for maintaining privacy and hygiene along with comfort.

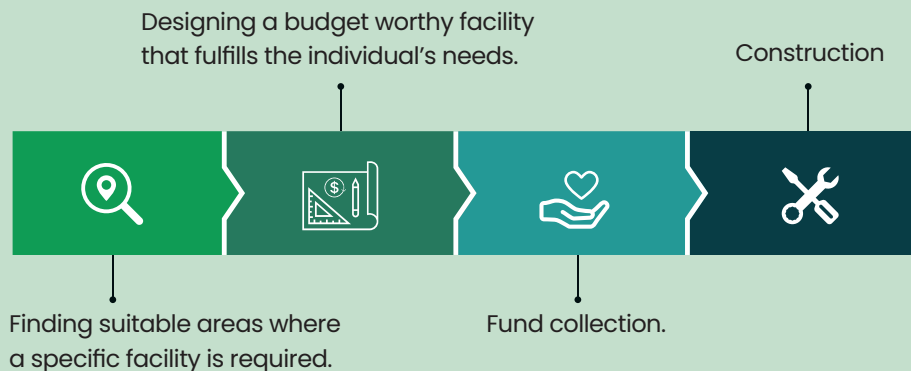

PUBLIC WASHROOM

Providing public facilities for washing clothes and dishes, bathing, access to clean water, etc for those who don't afford.

HOW WE WORK

COST FACTOR

We tailor products for each location to ensure a seamless user experience. We avoid building wells and toilets that might be unusable during certain water level fluctuations. Costs vary based on factors like location, user demographics, water levels, and transportation. The following chart represents the cost difference for a basic hand pump water well in different areas.

EMPOWERMENT AND SKILL DEVELOPMENT

We empower individuals, fostering self-sufficiency and sustainability for a skilled and talented workforce, vital to a country's development. Addressing root causes, we aim to eradicate poverty and reduce charity dependency, envisioning a thriving nation where citizens' potential is unlocked, ensuring a brighter, prosperous future for all.

Embracing Growth through Our Multifaceted Training Programs

Basic Skill/Worker:

- » Sewing and Tailoring
- » Carpentry
- » Plumbing
- » House Cleaning
- » Food services and Cooking
- » Home maid, Babysitting & Childcare

Worker and Talent Support

We focus on finding and bringing in skilled individuals for job roles or specific tasks within organizations and projects. We also make sure that they're safe and their performance is assessed. We locate capable workers and talents and put them in roles where their progress is monitored closely. We aim to break down barriers to employment opportunities.

Supporting entrepreneurship

We empower individuals with the mindset, skills, and knowledge to become successful entrepreneurs, and create their own paths to financial independence and personal fulfillment.

EDUCATION

EMPOWERING MINDS, BUILDING A FUTURE OF BANGLADESH by providing aid and support in the following sectors

Orphanage

We take on all the responsibilities of their basic needs and accommodate them with hostels, ensure healthcare coverage, and other essential needs

Education for the Elderly

Our work includes setting up elder education centers and offering various courses and facilities to encourage self-education among seniors.

Autistics and Disabled Individuals

Fulfilling their personal needs, stipends, scholarships, hostels, and ensuring healthcare coverage alongside other essential educational requirements.

Extra Curricular Activities

Explore diverse extracurriculars for creative, collaborative, and personal growth, unlocking new skills and passions beyond the classroom.

FACT

258 million children and youth don't attend school; 59 million of them are of primary school age (UNESCO).

OUR ACTIVITY PLANS

Providing scholarships to students in various institutions.

Equipping educational institutions with equipment and other improvements.

Establishing low-cost schools in rural areas.

Conducting general education activities in madrasas.

Ensuring scholarships and family support for the underprivileged.

HEALTHCARE

The healthcare situation in rural areas in Bangladesh is challenging. Limited access to medical services, inadequate infrastructure and lack of awareness causes high rates of infectious diseases, maternal mortalities and other diseases. We're working hard to make things better.

FACT

Every day almost 800 women die from preventable causes related to pregnancy and childbirth. 95% of them are from low-income countries.

HOW YOU CAN HELP US

DONATION

Your small effort can have a tremendous impact on someone else's life. Your contribution, will play a vital role in constructing hospitals and healthcare facilities. These institutions will serve their purpose by offering discounted/free medical services. Through your support, lives will be saved, and the burden of suffering will be lessened. Join us in our movement, and together, let's make a meaningful difference in the world of healthcare.

PARTNERSHIP

Join us in collaborative efforts for accessible healthcare. Partner with resources, expertise, and outreach programs to build sustainable medical facilities and promote healthcare equality.

VOLUNTEER

Healthcare professionals, your time and expertise can create a direct impact. Join our programs to be a vital part of our mission. Your compassion brings hope and healing to those without access to medical services.

Beyond the Horizon, Enabling Health Services from Urban Centers to the Edge
